Principal's Message...

Greetings Tomahawk School Families!

JUNE... the month that wraps up another school year. It is a very special month around Tomahawk School. June is filled with lots of hard work, special field trips and celebrations! Everyone - staff and students - will be working hard this month to ensure that the year ends on a fabulous note!

HARD WORK will be visible in all our classrooms as students finish up their final units in their grade level. Grade 6 and 9 will write their PATS (Provincial Achievement Tests) near the end of June which allows students to show off their year of learning. Our academic year will end with final report cards published on the last day of school.

CAMP WARWA is a special field trip for all our students. We love to see our students take their learning outside and to explore new challenges. Students will climb, balance, canoe and play in the lovely Camp Warwa property. Other special field trips include some classes heading to the Zoo, others to swimming lessons, and our Grade 9 students will enjoy a short trip to Jasper. Then we keep up our tradition of mini-golf and ice cream at the local Seba Beach Mini-Golf!

Our Preschool started off our celebrations with a sweet Graduation ceremony, including posing for pictures with their cap and gown! Next, our Kindergarten class will walk the stage as they get ready to move to Grade One. Finally, all of our students will celebrate together at our assembly on June 29th that commemorates a great school year.

JUNE is a busy month for sure...but a very special month around Tomahawk School. Thank you for being a part of our school family, and we look forward to seeing you at many of our upcoming events. (Of course, after June comes... summer break!!)

In the sunshine (and lovely rain!), Ms. Bell
