- 1) Meeting Called to Order @ 7:38
- 2) Additions to Agenda- no additions
- 3) Approval of Agenda – approved by Chantel, 2nd by Alyssa
- 4) Reading of Minutes from May- Read by Maria
- 5) Approval of Minutes from May- Chantel approved, 2nd by Alli
- 6) Action Items from May- none to report
- 7) Trustee's Report (report from may meeting)
 - Approved the education plan for the Parkland School Division. For the 3 year time frame (2025-2028)
 - Amended and approved the trustee remuneration because new board will be elected fall of 2025. Start for the next 4 years
 - Advocating to ministers for funding to try and support our cause. (Jordan's Principal funding). PSD didn't lay off any EAs in December like some divisions, but the funding did not come through, and many positions have been lost for the 2025/2026 school year. JP is a federally funded program.
 - Technology report- final meeting
 - Municipal election is Oct 20th. If interested in running to be a trustee, there is lots of info online.
- 8) Principal's/Teacher's Report
 - Chickens- had sent a letter home to see if families were interest in taking care of the chickens over the summer. Had enough volunteers so they will stay here at the school.
 - Staffing-
 - i. We have a new 4/5 (SS & Sci) & Nuture/Rural Ag teacher coming for fall. Needed to have the Rural Ag program run by someone from the community to ensure longevity of the program. The teacher's name is Amber Dobson. Tracey will be teaching LA & Social for the 4/5 class.

- ii. Miss Patterson is leaving and new K/1 teacher will be Ms. Jenn Sagagnik. Play based learning teaching style and very passionate about that age group. Loosing the EA in the grade K/1 class.
- Development Plan-
 - i. Writing & Numeracy- (Academic) Keep up and staying on top of these things. Small group targeted instruction. Have common goals with the 1 on 1 basis. Giving the kids steps so they can continue to learn to their abilities.
 - ii. Student Engagement- Career prospects, why what's going on in the classroom on what they are doing and why. Big push on career education. Make learning make more sense on what they are doing.
 - iii. Rural Agriculture program- Make it sustainable so its stable to keep it going for the years to come.

9) Chair's Report-

- Report that summed up our year and future goals for September

10) New Business- none

11) Next Meeting- Sept 9th- in person @ 7:30
